PRIVACY POLICY — FORM J3

Statement of information on processing of personal data - Information document pursuant to and due to the effects of Article 13, Law by Decree No. 196 of 30 June 2003

In observance of Law by Decree No. 196 of 30 June 2003 (Privacy Code) and subsequent amendments, herewith we provide you with the due information with regard to the processing of the personal data provided by you. The statement of information is not to be considered valid for other Websites that may be consultable through links present on Internet sites with the domain of the proprietor, which is not to be considered in any way responsible for the Internet sites of third parties. Involved is a statement of policy that is made also pursuant to [Art. 13 of Law by Decree No. 196/2003 - Code in the Matter of Protection of Personal Data](#). Such information is also inspired by Recommendation No. 2/2001 that the European authorities for the protection of personal data, gathered in the Group instituted by [Art. 29 of Directive 95/46/EC](#), adopted on 17 May 2001 to single out some minimal requisites for the collection of personal data online, and, in particular, the modalities, the timeframe and the nature of the information that the those responsible for the processing must provide to users when they log onto Web pages, whatever the purposes of the connection, as well as the provisions contained in Directive 2002/58/EC, as updated by [Directive 2009/136/EC](#), in the matter of cookies

1. THE "PROPRIETOR" OF THE PROCESSING, pursuant to [Article 28](#) of the Code in the matter of protection of personal data, is **Molteni & C S.p.A.**,

Molteni & C

Via Rossini 50, Giussano (MB), in the person of the legal representative *pro-tempore*.

PERSON IN CHARGE OF PROCESSING

Pursuant to [Article 29](#) of the Code in the matter of protection of personal data, the person in charge of the in-house processing is Dr. Marco Piscitelli

PLACE OF DATA PROCESSING

The processing connected with the Web services of this site, (physically placed "in hosting" with a third party) is done at the office of the person in charge of the processing and attended to by his collaborators tasked with such processing, or by outsiders in the performance of maintenance or of the updating of the pages of the site, including at their offices.

2. TYPES OF DATA PROCESSED

Personal and identification data

Personal data comprise any information concerning an individual, identified or identifiable, even indirectly, by reference to any other information, including a personal identification number, while identification data are personal data that allow the direct identification of the concerned party.

Surfing data

In the course of their normal operation the IT systems and the software procedures used for the functioning of this Website acquire certain personal data the transmission of which is implicit in the use of the Internet communication protocols.

This involves information not gathered to be associated with identified concerned parties, but that by its very nature might, through processing and association with data held by a third party, make it possible to identify the users.

Falling under this category of data are IP addresses and names with domain of the computers utilized by users who log onto the site, the addresses in URI (Uniform Resource Identifier) notation of the resources requested, the time of the request, the method utilized in submitting the request to the server, the size of the file obtained in reply, the numerical code indicating the status of the reply given by the server (successful, error, etc.) and other parameters pertaining to the operating system and the IT environment of the user.

Data provided voluntarily by the user

The optional, explicit and voluntary sending of e-mail to the addresses indicated on this site and/or the filling in of data collection forms, entails the subsequent acquisition of the address of the sender, necessary for replying to requests, as well as any other personal data entered.
